Watch the Game from the Jackson Sun's Skybox

Enjoy all of the amenities that come with watching the game from one of the best vantage points in a Jackson Generals Skybox. The box can accommodate up to 16 of your closest friends.

Start the evening the off by throwing out the first pitch. You will be escorted to the pitcher's mound, your name announced to the crowd and the ball is all yours to pitch to the catcher.

To add even more fun to your baseball experience you will be invited to sit with Chris Harris, play by play announcer for the Generals. For an inning, you can help him announce the game.

All dates and times are subject to availability during the 2011 Baseball Season. The Center thanks the Jackson Generals and The Jackson Sun for donating this package.
